### **Housing Information:**

<http://housing.colorado.edu/> or

<http://www.colorado.edu/OCSS/housing.html>

## CU WEB-TOOLS:

### **CUConnect:**

<http://cuconnect.colorado.edu>

Use this for:

- Financial Aid
- Schedule
- Grades
- Student Directory Profile
- Email
- Campus Events
- WebCal (online Calendar program)
- Bill Pay

### **PLUS:**

<http://plus.colorado.edu/>

Use this for:

- Course Registration
- Initial Email Setup
- Health Insurance
- Address Information
- Transcripts

### **Email Access:**

Web interface:

<https://culink.colorado.edu/>

IMAP settings:

<http://www.colorado.edu/ITS/docs/email/culink/programs>

### **Campus IT Support:**

303.735.HELP or [help@colorado.edu](mailto:help@colorado.edu)

## ITP SPECIFIC TOOLS:

### **ITP E-mail Lists:**

All important ITP announcements are Sent *ONLY* through ITP e-mail listserv. To subscribe, go to ITP's homepage at <http://telecom.colorado.edu>, then select Current Students>ITP E-mail Lists.

### **CU Learn:**

<https://culearn.colorado.edu>

Each instructor uses this tool differently.

Widely used functions include:

- Discussion Board
- Email Utility
- Grades
- Homework Submission
- Quizzes

Follow instructions on CULearn carefully because it does not operate intuitively.

Example: When taking a Quiz, you have to save each answer individually and then make sure you submit the quiz at the bottom. Saving each answer is not synonymous with submission.

### **Tegrity:**

This is the software used to integrate course materials with video of the class. The classes that you take in the studio rooms will have recordings in this format and are available for stream or download:

<http://cua.colorado.edu/>
